

HAND PROTECTION

High-Visibility Cut and Heat Resistant Gloves

DESCRIPTION

This 10-gauge, aramid sewn glove provides both excellent cut resistance and heat resistance with a performance dip. The highly visible liner is enhanced by an Xtreme Foam Technology dipped palm for superior wet/dry grip, breathability and dexterity. The palm has nitrile dots to provide better grip, wear resistance and short term heat protection.

INDUSTRY

- Handling Sharp Objects
- Handling Hot Objects
- Automotive Industry
- Construction
- Manufacturing

FEATURES

- ANSI level A3 cut resistance
- Xtreme Foam Technology palm is excellent for wet or dry grip
- Nitrile dots for better grip plus increased heat and wear resistance
- 10-gauge aramid sewn shell offers cut and heat resistance
- Knit wrist cuff prevents gloves from slipping off while working
