

The Bullard Bump Cap

Re-Defining Style, Comfort and Protection.

Bullard has set the standard in head protection for more than a century and continues that tradition today with its new Bump Cap.

The Bullard Bump Cap offers wearers a sleek style combined with user comfort and maximum versatility to provide the ultimate protection against minor bumps, bruises and lacerations. Equipped with a technologically advanced double hoop design for greater reinforcement and durability along with an easy-to-assemble user replaceable suspension, the Bullard Bump Cap offers unmatched comfort with a secure fit.

Style

- Sleek, lightweight design
- High-density polyethylene
- Technologically advanced double-hoop design for greater durability

Comfort

- Easy-to-assemble and replace, multi-adjustable suspension for added user comfort
- Accommodates the widest array of head sizes of any bump cap on the market ranging from 6 3/8" to 8 1/4"
- Interchangeable brow pad available in easy-to-clean vinyl and absorbent poly for comfortable fit

Versatility

- Offers four logo option locations
- Accommodates Bullard face protection brackets 300B, 300BW, 100G and all existing Bullard visors
- Available in an array of user selectable colors

Applications

- Food and beverage processing
- Maintenance distribution centers
- Mechanics
- Transportation
- Agriculture

The Bullard Bump Cap

Re-Defining Style, Comfort and Protection.

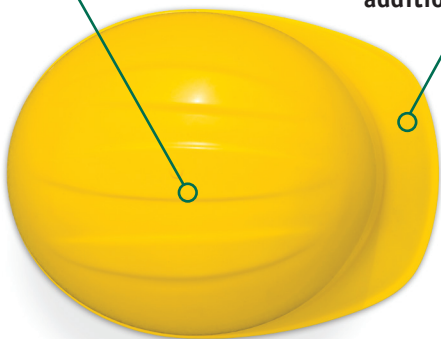

Advertise your company on one of the most recognizable pieces of safety equipment on any work site.

Logos are permanent and will not peel, crack or fade. There are no set-up or artwork charges and custom orders start at 25 caps. Show off your logo in vivid color on up to four different locations; customize your Bump Cap with the Bullard Logo Shop.

Sleek 3-Rib Design

Double-hoop for additional strength

Secure Locking Suspension

NOTE:

This bump cap is not a safety helmet and not intended for use where ANSI approved head protection is required. It is not intended for use as a baseball safety helmet or other sporting event equipment.
